Scroll back up until you see the title, "RELATED EDUCATION & TRAINING PROGRAMS

Choose from the list and click on it. For the purpose of this exercise let's keep it simple
And start by just clicking on British Columbia.

Choose 3 Post-Secondary Schools and list below:

#1. School & City:

What is the name of their program that you wish to study?

What is the name of the degree/credential that you could earn?

What is the length of the program ?

_____ months or _____ years?

What is the cost for this program for each year?:

Tuition: _____

Supplies: _____

Admin. Fees: _____

What are the listed requirements (i.e. = must have courses in gr.12)
to gain admission into their program?:

Explore Apprenticeship Programs (Trades)**

*** (If you are not interested in apprenticeship trades you do not have to complete this section.)*

Go to the EDUCATION under GENERAL INFORMATION section.
Click on British Columbia under related apprenticeship programs.

Type in the name of the Trades Career that you are interested in, as suggested by the results of your assessment interests & read the information.

List your choice here: _____
(e.g: carpenter, electrician, hairdresser, horticulturist, mechanic, plumber, etc.)

What is the suggested length of study for this? _____

How many hours/weeks of classroom instruction are required?

How many hours/weeks of hands-on job experience are required?

What does RED SEAL mean?

What are the listed Certification Requirements?

What are the pre-requisites to get into this course?

Where do you go to study (e.g. BCIT, or Kwantlen, etc.): ?

If you need/want any more information on the Trades, please go to your Career Education Dept. – Room #105 and talk with Mr. N. Fisher.

He can give you information on some of the free training available – but
You need to do this during grade 10 – so that you can register. _
