

Favourite Quote Assignment

Your job is to present your favourite quote. Quotes help us keep on track, provide motivation and focus and can be very personal. Your quote will be posted in the classroom and therefore must be appropriate for school (no swearing, no inappropriate racial or gender references, no references to drugs, alcohol or gangs etc.)

YOU MUST KNOW WHERE THE QUOTE CAME FROM!

Please print your quote horizontally (you will need to change your page set-up settings). It must be typed and printed using a large and legible font as they will be displayed in the class

In addition to printing your quote, please write a short response as to why you chose the quote. This should be on a separate piece of paper with your name, period, course information at the top and a copy of your quote at the top of the page. Answer the following questions in your response. Your response should be in paragraph form and should be half page to 1 page typed in size 12 font.

1. Why did you choose this quote?
2. What is the message?
3. What is the context of the quote (time, place, event, etc)?
4. Provide a brief description of the author.
5. What does you choosing this quote teach us about you as a person?
