

Survivor

This is a group activity and there are a few guidelines that must be followed:

- 1) Your entire group must be in an agreement on which 7 people you keep.
- 2) Avoid arguing, listen to everyone's ideas be open-minded. Don't think you need to avoid disagreements, sometimes it leads to more insight
- 3) No voting, rock-paper-scissors, or flipping a coin etc. please
- 4) Have an explanation for each choice ready to share
- 5) You will write out your choices and be ready to present them to the class
- 6) Time permitting- add images and symbols to your paper
- 7) Have your group members' names on your sheet

A ship carrying the last remaining people on earth after the atomic bomb is sinking. There is only one lifeboat and it only has enough room for seven people. No one will be able to float/swim along the side of the boat. If a person is not inside the boat they will DIE.

Below is a list of all the people onboard the sinking ship. As a group, you must decide which 7 people survive. Remember only seven people can be on the boat.

*Please note that no gender or age has been given. They could be male or female as well as any age.

1. A medical doctor working on a vaccine for AIDS.
2. A humanitarian who is actively involved with ending world hunger.
